Secure Environment WC Pans

The Wallgate® range of anti-vandal, solid surface WC pans provides a superb alternative to Stainless Steel at significantly less cost. Anti-ligature in design and of domestic appearance to assist in normalising the environment they are approved to the Ministry of Justice (MOJ) Safer Cell specification. The CWCP range is Home Office approved for Police Custody Cells. The CWC_150ST has a permanently bonded, non-movable solid surface seat and is designed for Secure Mental Health.

With WRAS flush approval for 4.5 and 6l flush, the Wallgate range of WCs is compatible with a wide range of activation methods.

Designed for use without a seat, all are highly vandal-resistant with hidden services and fixings. Variants include back to wall, corner fit and disabled use.
