

Flex-Tuft is a remarkably wear resistant floorcovering, with the appearance of chenille carpeting, and with excellent moisture absorption, shoe drying and cleaning properties. It is ideal for entrance flooring and in areas subject to spiked footwear, such as for golf, cricket and athletics.

The benefits of Flex-Tuft include:

- Exceptionally hard wearing
- Excellent moisture absorption and shoe drying and cleaning properties
- Appearance of chenille carpet
- Anti-slip even when wet
- Resistant to cuts
- Resistant to fire, chemicals, electricity, oil and grease
- Easy to install
- Adhesive application resists vandalism
- Easy to maintain by vacuum, shampoo or hose
- Contains no noxious VCOs

FlexTuft used in Centrica, Manchester

GENERAL

Introduction The **Flex-Tuft** range of floor tiles is part of Jaymart's wide choice of floorcoverings, entrance matting, matwells and allied products.

Applications Principal applications are:

- High traffic areas - reception areas, entrance foyers, super markets, shops, car showrooms, schools, exhibition and conference centres
- Anti-slip requirement areas - hospitals, wheelchair and disabled access areas, aircraft gangways, boats, trains, factories, etc
- Sports area surrounds, pavilions and clubhouses - for golf, football, rugby, ice skating, cricket, etc

DESCRIPTION

Composition, manufacture *Flex-Tuft* floorcoverings are manufactured from selected heavy duty tyre linings from recycled tyres.

Dimensions Tiles are approximately 10 mm thick, in the size 304 mm x 304 mm. *Flex-Tuft* is also available in rolls 9.14 m x 304 mm for stair applications.

Appearance *Flex-Tuft* tiles have the appearance of chenille carpeting. They are available in contrasting grey shades and earth tones and in three delightfully designed dyed colours, delft/grey, cranberry/grey and spruce/grey.

SITWORK

Installation *Flex-Tuft* tiles are easy to lay. They should be installed in a checkerboard fashion with *Flex-Tuft* adhesive in accordance with BS 8023: 1987.

MAINTENANCE

Cleaning *Flex-Tuft* is easily cleaned by vacuuming, shampooing and hosing.

ECONOMICS

Guarantee *Flex-Tuft* tiles are guaranteed for five years when fully adhered with *Flex-Tuft* adhesive and maintained in the approved manner according to Jaymart's instructions.
