# METALLIQUE

contemporary style in bathroom support

## METALLIQUE

A stylish satin aluminium finish reflecting contemporary tastes in interior design.

## Metallique door features

- Glass or Perspex panels encased in satin aluminium-finish framework
- Water deflectors and wiper blades retain water within the showering area
- Magnetised door closer strips create a secure seal
- Caterpillar sliding locking lock prevents accidental opening and is easy to use for less dextrous hands
- Seals protected by anti-fungal and anti-bacterial grey Vaycron
- 13mm rise and fall hinge with wiper blade and aluminium deflector ensures maximum seal at base
- Compensator plate can be precision-cut to radius to accommodate altro or similar wet floor applications
- Generous compensation for wall fixing alignment of  $\pm 15\text{mm}$

## Metallique shower enclosures

Metallique shower enclosures bring instant visual appeal to the bathroom with door frames featuring a stunning satin aluminium finish and panels available in a choice of Perspex or glass. Their compact and adaptable design suits almost any bathroom facility.

## Metallique support systems

To further enhance the contemporary feel, Neaco have applied the satin aluminium finish to a variety of support accessories, including stylish shower seats, fixed and hinged support rails and grab rails. A wide selection of fittings provides the complete aesthetic for a beautiful bathroom facility to be enjoyed and admired by all.

## Specifying Metallique products

It's easy to choose Metallique for your bathroom specification - all you need to do is refer to our main Medicare brochure, select the product you need and order as follows:

- For support systems add the suffix /95 to the product code. Don't forget to stipulate G for Grey rose covers or S for Satin rose covers (where applicable)
- Example: if you want a 600mm grab rail with Satin rose cover the product code is DF5781/600/95S
- For Neatdek 3 true level access shower grilles add /95 to the product code
- Example: if you want a 821mm x 821mm shower grille and frame the product code is NDK3001/95
- For Aluseal shower enclosures add /A to the product code
- Example: if you want 1024mm-wide twin bi-fold corner entry shower doors, your product code would be ENC001/A

Full product codes/stock number lists are available on the following pages within our main Medicare brochure (which is available for download at [www.neaco.co.uk](http://www.neaco.co.uk)):

Freedom support systems - *Pages 8-11*

Neatdek 3 true level access shower grilles - *Pages 20-21*

Aluseal half-height shower enclosures - *Page 31*
