

Welcome to Certikin:

the premier name in wet leisure for almost 50 years!

Certikin: a name with heritage

Certikin is the leading supplier of wet leisure and water treatment equipment in the UK and ranks amongst the top two companies in its field in Europe. It is also a major manufacturer and innovator in its own right and the Certikin brand is synonymous with premium quality. Certikin International Ltd employs a workforce of 105 people and holds in stock over 8,000 product lines for both domestic and commercial pools including wellness, spas, water park slides and play equipment as well as a huge range of products for both the new build and retro-fit markets. The majority of goods can be delivered within 24 hours.

Certikin: the home of many brands!

Certikin has a gold plated reputation for selling market leading products backed by superb technical support. Our partners include world famous names such as Maytronics, Zodiac, Endless Summer, Calorex, RivieraPool, Caldera, Malvern Boilers, Coverstar, Raypak, Roldeck, Fi-Clor, Waterco, and Fluvo. As well as being the market leader in the UK for swimming pool covers, Certikin is also the UK's foremost specialist in swimming pool heating.

Certikin: a name to be trusted

Certikin was one of the first companies in its field to gain the internationally recognised ISO9001/2008 accreditation which means we provide a proven consistent level of quality in the service we supply and we are committed to a programme of continuous improvement.

World-wide presence

Certikin is a subsidiary of the publicly quoted Spanish multi-national group, Fluidra. Based in Barcelona, with over 40 years experience in the water and swimming pool industry, Fluidra employs a workforce in excess of 3,200 in over 30 countries. Certikin's thriving export division services 50 countries. Over the last decade the Certikin brand has experienced rapid global expansion, and includes the establishment of Certikin France, Certikin Spain, Certikin Italia, Certikin India and Certikin Middle East where an office and warehousing facility in Dubai enhances the company's service to the Gulf, Africa and the Middle East.

Centrally located

Certikin was established in 1963 and currently operates at two UK locations with a total of four acres of office, warehouse and factory space, including a special facility to house pipes and fittings at our headquarters and main distribution hub in Witney, Oxfordshire. Certikin North, our state-of-the-art computer-controlled swimming pool liner plant in Leeds, produces tailor-made pool liners and covers.

Fast efficient service

We pride ourselves on the high level of service that we offer, both in terms of technical knowledge and after sales care.
