TRADITIONAL

Proven design +
innovative options

TRADITIONAL OUTDOOR BALUSTRADE

Perfectly proportioned traditional designs without any compromise on strength. Crafted in premium quality treated softwood; ideal for cottage gardens and older properties. Quick and easy to fit using the Richard Burbidge twist bracket, with a choice of handrails, metal spindles and timber panels too.

TRADITIONAL DESIGN

- Mix and match options to create your unique look
- Traditional timber panels
- Glass for a more modern look

TRADITIONAL OPTIONS

- Chamfered, turned or square spindles
- Chamfered, turned or square newels
- Mix spindles with panels

For expert advice, call our technical team on: **01691 678 212**

CLASSIC

Attractive simplicity + rock solid performance

CLASSIC OUTDOOR BALUSTRADE

Strong bold looks from standard square spindles to the novel exterior mounted American square system that looks different from either side. Add a touch of style with curved metal balusters or open up the view with toughened glass panels. Easy to fit and built to last.

CLASSIC DESIGN

- A style to suit any garden and home
- Built to withstand the Great British weather
- Easy to fit

CLASSIC OPTIONS

- Glass panels for open views
- Spanish style metal panels
- Choice of square designs

For expert advice, call our technical team on: **01691 678 212**

CLASSIC GLASS PANELS

CONTEMPORARY

Minimalist + practical

CONTEMPORARY OUTDOOR BALUSTRADE

A break from tradition with minimalist round spindles and newels, or an easy on the eye and easy to fit glass panel system. A more modern approach to outdoor balustrade, ideal for newer build properties.

CONTEMPORARY DESIGN

- A modern design to suit newer properties
- Easy to fit
- Designed and built to last

CONTEMPORARY OPTIONS

- Glass panels for open views
- Minimalist round spindles, metal brackets
