**Architect:** Mace Group & Terra|Struc

**Client:** Four Seasons

**Location:** Azerbaijan, United Arab Emirates

For more details, click or scan:

Chevron Dimensions: 20x150x600mm 4mm Top Layer  
Border Dimensions: 20x220x2200mm 4mm Top Layer  
Skirting Dimensions: 20x260x2200mm 4mm Top Layer

This Chevron Parquet was manufactured and fitted in a Four Seasons Hotel in the United Arab Emirates. The Parquet was produced specially to match our White Fire Resistance Lacquered Oak (E155). The E155 was then used as a border for the parquet. Our 260mm wide variant of this board (E155W) was then used as skirting.
