SCHOOL LOCKERS

Helmsman can also offer a bespoke locker service and will do our best to fulfill your needs. We have been providing lockers to schools for many years so we are familiar with a schools personal requirements when it come to pupil and staff storage.

PRIMARY SCHOOL LOCKERS

Primary School Lockers Designed to meet the demands of the schools we have worked with over the years.

Helmsmans Primary School Lockers are a result of belief in listening to their customers and due to an increasing demand of school orders we have produced the ideal storage solution for Primary School pupils. We have both 1250mm and 1600mm heights to specifically suit Key Stage 1 And Key Stage 2 pupils, ensuring items can be stored at a safe height.

SECONDARY SCHOOL LOCKERS

These continue to be popular in schools.

These lockers are available in various configurations and sizes ranging from full length lockers to multi-compartment lockers offering storage and security for up to six people.

PRIMARY

Key Stage 1 Primary school lockers manufactured to perfection by our factory
1250mm high x 300mm wide x 380mm deep. Available in two or three compartment configurations.

Key Stage 2 Primary school lockers
1600mm high x 300mm wide x 380mm or 450mm deep. Available in two or three compartment configurations.

SECONDARY

These lockers are available in various configurations and sizes ranging from full length lockers to multi-compartment lockers offering storage and security for up to six people.

MODULAR

Cube lockers that offer total flexibility and design freedom. Helmsman Modular Lockers can be assembled in numerous configurations. Available in two sizes with optional plinth, these lockers are easily installed to make maximum use of available space. Nuts and bolts are supplied for connecting the lockers together or onto plinths.
