

Command Centre Mobile Site Security App

The Gallagher Command Centre Mobile App enables you to extend your security and access control directly to where you need it.

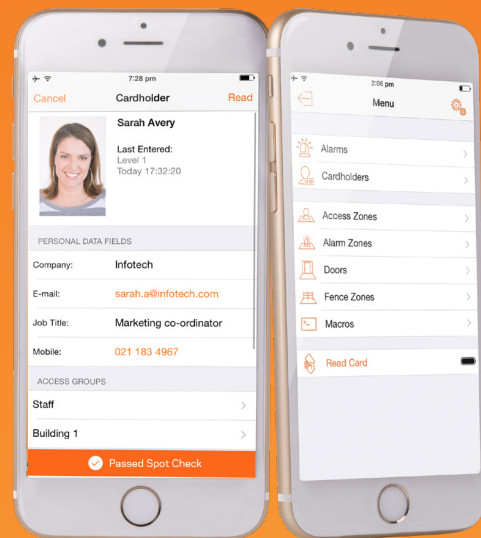

Secure Mobile Control

Downloadable from the Apple App and Google Play stores, this software provides you with the ability to manage your security from your mobile device. The Mobile App interfaces directly with Gallagher Command Centre, and allows you to:

- View and process alarms
- Monitor and override the status of doors and zones
- Lockdown zones quickly
- Trigger macros to perform custom functions
- Log mobile actions and events in Command Centre
- Disable a cardholder's access
- QR and Barcode scanning for quick identification
- Receive notifications from Command Centre (Android devices must have the Google Play App installed)

Available for Android 5.0 or higher, and iOS 9.0 or higher

Command Centre Mobile App 2A8559

Mobile Scanning

Used with Command Centre Mobile, the Mobile Reader allows you to extend the range of your card reading capabilities, allowing a secure interface with Command Centre anywhere on site.

Mobile Reader C861301

- Automatic cardholder search
- Reads all Gallagher encoded MIFARE® Cards, 125 kHz
- Supports: iPod 5th Gen, iPhone 5/5S, SE, 6, 6 Plus, 7, 7 Plus
- Phones have unique attachment trays*
- Durable Polycarbonate construction

Available for iOS 9.0+ Phones only

*trays purchased separately

Optional Functions

Optional licensed features are available to expand the functionality of your mobile solution beyond the core set. An example is the Mobile Access Feature.

Mobile Access Feature 2A8561

- Move cardholders into access zones (Requires Mobile Reader and Command Centre App)
- The cardholder's access privileges are authenticated via Command Centre to ensure accurate access decisions.
- **Available for iOS 9.0+ Phones only**

Mobile Reader Phone Trays

These trays secure the mobile phone to the Mobile Reader, supporting the same Apple devices that are compatible with the Command Centre Mobile App.

These trays also allow all hardware buttons and cameras to be used. The table below shows which trays are suitable for what phones.
