

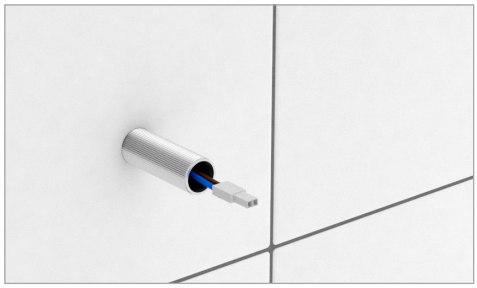
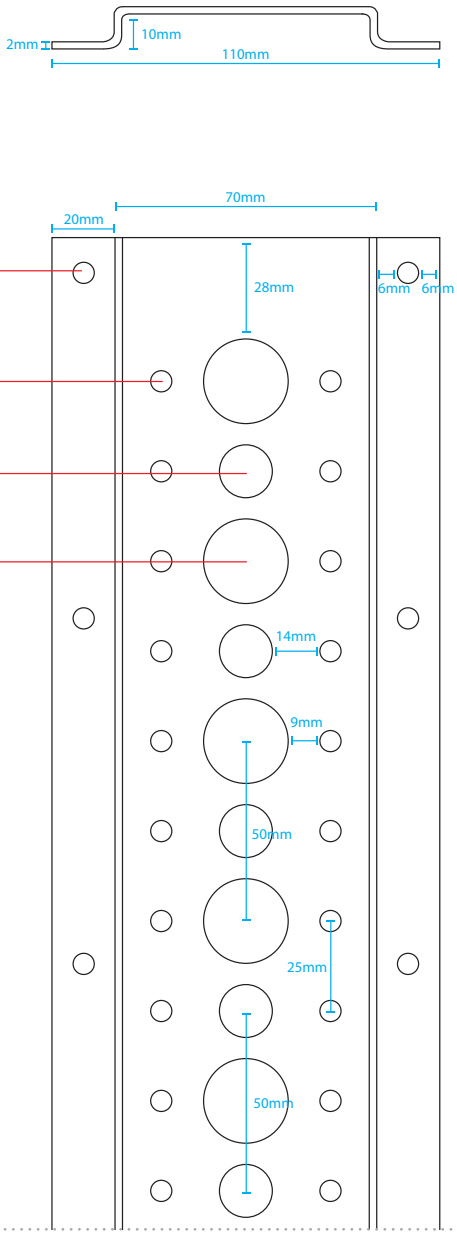
Electric connection cables can be run behind the mounting rail for simple connection.



All electrical connections can be made before tiling leaving the installer to simply connect the plugs and fix the rail to the spigot.



7060 Mounting Kit Includes:

1 x Thermorail Mount
8 x Fixing Screws
8 x Fixing plugs

Spigots & rails supplied separately

Designed for multiple rail installation of both our Single Ended and Single Bar 12V towel rails

Technical Data
