

RPM Semi Recessed Vanity Unit Solid Surface

Generated on 17.01.2020

WASHROOMS THAT WORK

Detailed description

Vanity unit comprising under-panels and worktops. The bed height is available in four options, Adult, Junior, Infant and Nursery. The modules are designed for heavy use in wet or dry areas. Solid surface worktops are manufactured from an advanced composition of minerals and acrylic polymer that delivers a seamless finish to vanity tops and is exceptionally hard wearing. The vanity units are designed to accept semi-recessed wash basins.

Bushboard pre-plumbed units come complete with panels, sanitary ware, brass-ware and plumbing, all assembled onto a rigid aluminium frame ready to install.
