

Whiteside Wall Mounted Canopy

Generated on 20.01.2020

Detailed description

A cost-effective wall mounted entrance shelter which can provide up to 4 x 4 m of cover from the elements. This canopy is particularly popular within schools and colleges - creating an entrance which stands out yet has a clean and simple design which suits most building designs.

The Whiteside is also suitable for hospitals and care homes, lifting the face of the building and providing a spacious welcome area for visitors. Life expectancy of 25 years.

Product guidance - As Standard

Framework:

- Main frame: Constructed from 89 x 4 mm steel tube section.
- Roof bars: Constructed from 50 x 50 x 2 mm steel box section.
