

Cambridge Buff

Generated on 19.06.2019

Detailed description

An exclusive uniform handmade gault brick. Commonly known as a 'Suffolk White', this soft cream brick replicates those historically used for facing work on prestigious buildings around Britain.

Used for high quality renovation, restoration and conservation projects where original bricks need to be matched or where new build projects require an instantly traditional look.

Imperial and metric sizes available. Fully frost-resistant to BS EN 771-1.
