

Mipolam Cosmo - Sheet

Generated on 24.01.2020

Detailed description

A flexible multipurpose vinyl floorcovering, densely compacted it is homogeneous and recyclable, comprising polymers, non-evaporating plasticisers, stabilizers, mineral and colour-fast pigments. Cosmo is treated with Evercare™ surface treatment providing chemical and scratch resistance. The flooring complies with BS EN 649 with a K5 wear rating.

It is suitable for use in most general public areas, schools, offices, indoor leisure centres, factory floors and storage areas, hospital wards and corridors, clean rooms and computer suites where an aseptic environment is required.
