

Mystique PUR Sheet

Generated on 20.01.2020

Detailed description

Mystique PUR Sheet is a range of non-directional sheet coverings available in 2.0 mm thickness and features a high quality, cross-linked polyurethane reinforcement, UV cured to provide a low cost, polish-free maintenance regime for the lifetime of the flooring. Especially recommended for hospitals, schools, commercial offices and public reception areas, where an easy to maintain, hardwearing floorcovering with an attractive, modern appearance is required.

Mystique PUR conforms to a wide range of international standards and is classified as anti-static in accordance with EN 1815.

Mystique PUR achieves BRE Global Environmental A+ Rating ENP 472 in the Green Guide to Specifications in major use areas such as education and healthcare. The product is 100% recyclable and contains 25% recycled material.

Generic EN 15804 Environmental Product Declaration (EPD) available on request.
