

## XL PU Sheet

Generated on 10.04.2020

### Detailed description

XL PU Sheet floorcovering is a range of marbled sheet coverings available in 1.5 mm and 2.0 mm thickness and features a polyurethane surface treatment that provides an excellent foundation for an ongoing cleaning regime, leading to maintenance cost savings., Especially recommended for use in public, institutional and commercial buildings, where ease of maintenance and long life under heavy traffic are required e.g. hospitals, schools, laboratories, offices.

The flooring conforms to a wide range of international standards, is classified as anti-static in accordance with EN 1815.

XL PU achieves a BRE Global Environmental A+ rating ENP 472 in the Green Guide to Specifications in major use areas such as education and healthcare. The product is 100% recyclable and contains 25% recycled material.

Generic EN 15804 Environmental Product Declaration (EPD) available on request.

XL PU sheet have also been tested and approved for marine applications (2.0 mm).

### Product guidance - As Standard
