

## Dream™ DCV Bath/ Shower Mixer

Generated on 14.07.2020

### Detailed description

Dual control valve bath filler/ shower mixer with adjustable shower head.

### Features and benefits:

- Sleek, striking design.
- Versatile.
- Excellent performance.
- Slimline concealed valve.
- Includes a temperature override button for extra safety.
- Shower heads include easy clean nozzles to help reduce limescale build-up.
- Anti-twist hose connector.
- Adjustable rail fitting.
- Harmony™ head with a choice of four spray patterns (inner, middle, outer, and eco).
- The 'Eco' spray setting saves up to 25% water without compromising performance.
- Separate flow and temperature control.
- Suits high pressure, combination boiler and boosted gravity water systems.
- Five-year guarantee.
- Matching shower-only models available (specified separately).

### Applications:

Suitable for household showering areas.
